Subject: Amendment Request

Hi Chris,

I would like to request LRBa1334/1 be drafted as a Senate amendment to SB 473. There is RUSH on this.

Additionally, in a separate Senate amendment, I would like the privacy language you spoke with John & David about. If there's questions about this, please contact them.

Finally, in a separate Senate amendment, I would like to remove the photo/video requirement (page 6, lines 7-8).

The first amendment is the most important, as I REALLY need to get it to my committee members ASAP.

Any questions, please ask.

Thanks Chris!

Amber
